What Makes Davis, Davis?

techrabbi.org/davis-mission

1. **One person scans the code** and signs in with a davisstudent.org Google account. One phone per group is enough, or open the link on the room's smart board.
2. **Name your group and room** on the phone.
3. **Spread the twelve cards on the table.** Sort them there, then tap your choices on the phone so nothing gets lost.
4. **The phone will tell you what comes next**, and about how long to spend on each part. You have about 40 minutes before we regroup in the Media Center.
